

## Errata

Lee, S., Lee, H., Woo, J.-K. and Kim, S.: 'Low-voltage bandgap reference with output-regulated current mirror in 90 nm CMOS', *Electron. Lett.*, **46**, (14), pp. 976–977

*Editor's correction:*

The final line of the Abstract should have appeared as:

The circuit occupies  $0.0337 \text{ mm}^2$  and dissipates  $276.6 \text{ } \mu\text{W}$  with a supply voltage of 1.2 V.
